Celebrate Bastille Day at **Marché Bacchus**

For 14 years Bastille Day has been celebrated at Lakeside Village's renowned French Restaurant, Marché Bacchus. Bastille Day is a French national holiday that takes place on the anniversary of the storming of the bastille. The bastille was a prison and a symbol of the absolute power of King Louis the 16th. By capturing the Bastille, the people signaled that the Kings power was no longer absolute. It is considered a turning point in the French Revolution. Marché Bacchus celebrates Bastille Day in a way that would make the French proud. There will be delicious French food, specialty cocktails and even a sky diver that lands on the waters of Lake Jacqueline!
