We work in partnership with local organizations, charities, and organizations who are impacting the lives of homeless youth everyday.

LAKESIDE VILLAGE UPCOMING EVENTS

Calling All Golfers! **One Heart Foundation's Charity Golf Tournament** **April 20 at Arroyo Red Rock**

Lakeside Village's own, Aimee Sobers is the founder of the up and coming 501 (c)(3) non-profit organization, **ONE HEART FOUNDATION**, (OHF) who is committed to ending youth homelessness. No young person should ever be without a safe environment and a supportive structure. OHF is based on nurturing local partnerships and working with other charities, as well as organizations who are impacting the lives of homeless youth everyday. OHF also maintains a national Homeless Youth Shelter Directory to ensure information is readily available to communities across the United States.

Homelessness among youth is a growing crisis in the United States that has only been increased by the recent Covid-19 pandemic. The organization is working towards the goal that every state has enough beds to house their homeless youth, and if a young person becomes homeless, that they know who to reach out to. Once homelessness happens to a young person, they often do not know where to go or who to turn to.

One Heart Foundation is holding a Charity Golf Tournament on Saturday, April 20th at the Arroyo Golf Club at Red Rock Golf Club. Proceeds will benefit NEVADA PARTNERSHIP FOR HOMELESS YOUTH (nphy.org)

We would love for you to join us to support this wonderful organization, register to play a round of Golf or become a sponsor. All donations are tax-deductible.
